The porro prism Navigator Pro Series is the choice for recreational boaters, weekend anglers and hobby sailors. It offers exceptional performance for the price with many of the features found on premium, world-famous Steiner marine binoculars. Built to excel in tough marine environments, they will provide a lifetime of use for water enthusiasts.

Delivers excellent image clarity, sharp definition and contrast, and oversized light-gathering objective for bright picture in low light.

Included Accessories: Case, Cleaning Cloth, Neck Strap, Objective Covers, Rain Guard, Shoulder Strap

MSRP:

\$528.99

PRODUCT FEATURES:

7x Magnification

is the marine standard, with a wide, stable image for tracking other boats, buoys and bridge numbers even in rough water.

High Contrast Optics

provide bright, sharply contoured images with natural color definition for outstanding viewing quality suitable for both beginners and professionals.

Floating Prism System

uses flexible silicone lens mount to absorb severe shock, impact and abuse without damage

Sports-Auto Focus™ System

lets you focus each eyepiece to your vision once, then keeps images razor sharp from 20 yards to infinity. No more chasing focus on moving objects.

Makrolon® housing

is durable polycarbonate with NBR Long Life rubber armoring, creating a lightweight, rugged chassis that withstands 11 Gs of impact. Impervious to harsh conditions for generations of trusted use.

N2 injection™ system

seals 14-psi pressurized dry nitrogen into the optic, for fogproof clarity in any condition - from arctic cold to desert heat.
