

K060415 MICRO-V BELT

Product # 85522077

Import or domestic, car or truck, every vehicle can depend on the superior quality of Gates® precision fit Micro-V® belts. With advanced technology that matches the OE size, construction and materials, Gates Micro-V ensures optimal vehicle performance. Micro-V belts provide peak operating performance while delivering the highest value on the market.

- Special belt construction eliminates belt noise, reduces tension loss, and solves problem drive applications.
- Utilizes advanced materials like Aramid Fiber found in bullet-proof vests and crack and heat-resistant EPDM materials.
- Meets or exceeds all specifications from the Original Equipment Manufacturer.
